ENTRY REQUIREMENTS

3. Exhibitors may enter a maximum of two items per class, up to a maximum of 50 items total. If items have a class and category assigned in this book, they may not be entered in "Other Not Listed" as a means to exceed the limitation of two items per class.

New **4. If entering 25 or more items, you must be preregistered.**

5. Items may not be entered more than one time.

6. No articles may be shown in this department with a "For Sale" or "Want to Buy" tag attached. Any sales made of articles exhibited in this department will be between the owner and prospective

purchaser. The Georgia National Fair will place a sign in the display area listing antiques shops who participate in the competitions.

7. True antiques are defined as being at least 100 years old. But in general, items that are at least 50 years old are considered "antique" for this competition. Articles must be owned by the exhibitor. Photocopies of documents will not be accepted for competition.

8. Every effort will be made to protect exhibits entered. Locked glass cabinets will be used to display small exhibits; larger items will be displayed in a protected area. Security will be in the building to give reasonable protection during the Fair, but in no event will the management be responsible for any injury or loss which may occur while in transit or while at the Fair.

9. A brief history of articles, if available, would be helpful.

10. Items must be clean and in good condition (not disintegrating).

11. Items to be hung must have sturdy wire and hangers properly attached.
