Animals may only show in ONE Performance Division (animals showing in Youth Division may NOT show in Open or Novice Division)

Performance classes are open to any llama or alpaca five months of age or older.

Novice classes are open to all llama or alpacas who have never entered in Advance class and/or who have earned no more than three ribbons in either first, second or third place in Open or Novice division in previous shows, in the respective classes. At the option of the exhibitor, after placing once in either first, second or third, the llama may enter Advanced division.

Advanced classes are open to all entries who have previously placed first, second or third place in Open or Novice division in that category at previous shows, or to any llama deemed capable of competing at the advanced level by its owner. Once a llama has entered an Advanced class it is no longer eligible to compete in Novice, regardless of placement. Llamas being shown in Youth classes by more than one youth, are not eligible to enter the Novice or Advanced classes at the same show, in that category.

Pack Classes: Alpacas now may be used in Pack Classes. Llamas or Alpacas must be at least 5 months of age to compete in Novice or Advanced pack classes.
